Just in time for Halloween, MHHS *Encore Company* will open their new season with Washington Irving's *The Legend of Sleepy Hollow* adapted by Vera Morris. The show runs October 28-30 at 7 pm in the high school gym with tickets sold at the door--\$3 for students and \$5 for adults.

The play tells the story of Ichabod Crane's arrival to a small town where he attempts to win Katrina Van Tassel's heart while boisterous Brom Bones tries to keep her interest and put Ichabod in his place. When Ichabod proposes marriage to Katrina at a party, Brom's intimidating description of an encounter with the Headless Horseman has Ichabod shakin' in his boots. Later that night during a raging storm, Ichabod is forced to make his way through the local graveyard where a few surprises might cost him dearly! With a great cast, fun choreography, and a steampunky vibe from the stagecraft and costume designers, *The Legend of Sleepy Hollow* will be a spectacular start to an amazing year of live theatre!
