## ***STAR TRACKS: THE EXPOSITION MENACE***

**By David J. LeMaster**

A short time ago, in a galaxy not so far away...Captain J.T. Smirk and the Starship Secondprize beam aboard Luke Nightrider, a Jet Knight who seeks to rescue his sister from the clutches of the Evil Empire and its leader, Barf Vapor. Join Smirk, Dr. Spot, R-2 Tattoo, Chewing Tobacco, and a host of others in the classic confrontation of good versus evil, right versus wrong, and father versus son!

## **Harry's Hotter at Twilight**

**By Jonathan Dorf**

This crazed mash-up parody of the *Harry Potter* and *Twilight* series (with nods to *Lord of the Rings*, *Star Wars*, *Alice in Wonderland*, and other stars of the pop culture pantheon) features invisible rabbits, armies of babies, murderous lunatics, evil gourmets and much more. Hilarity ensues as everyone's favorite wizards, vampires, and werewolves battle to save the gloomy town of Spork -- and indeed the world -- from certain destruction at the hands of the nefarious Fine Diner and the bloodthirsty Euphoria.
