

THE NUTCRACKER

Adapted By June Rogers

December 14-15, 2018

At a Christmas Eve party, Clara's godfather Dross presents her with an amazing Nutcracker in the form of a wooden soldier. Too excited to sleep, Clara returns to the living room where she finds the Nutcracker brought to life! He tells her he is a prince under the wicked enchantment of the Mouse King, and she joins him in a series of adventures to the land of Sweets where the Sugar Plum Fairy rules until the Nutcracker can rightfully regain his throne. This 30-minute Christmas production will be a family favorite!
